

Letter of Commitment

This Commitment Letter is to be signed by the Candidate participating in the “Advanced OBE-SCL Training Program at University Teknologi Malaysia (UTM)” and submitted to Academic Department, HEDP, MoHE.

I, the undersigned, declare that I am working towards supporting and nurturing the OBE-SCL implementation and practice over the coming years at my university I understand that my role as a Champion/Master Trainer after completion of this Advanced OBE-SCL Training program is a significant and continuous responsibility and will make it a priority. I look forward to working with the OBE-SCL team and HEDP.

I acknowledge that joining the Advanced OBE-SCL Training at UTM requires me to contribute my university to make progress towards:

- Including and developing OBE-SCL practice and implementation in a variety of disciplines and through active participation and involvement, so that university teachers can develop their own course syllabus, learning outcomes and course outcomes gradually during their whole university career; using jointly developed curriculum and syllabus, such as the ones practiced in modern and advanced countries.
- Embedding the OBE-SCL goals in the university curriculum and policy to ensure coherence, sustainability and to meet the expected outcomes and needs of students for the job market.
- Building the institution’s internal capacity to achieve these goals (for example, support the development of lesson plans and materials; support and encourage educational staff to attend the OBE-SCL Training courses and events.
- Being involved in structural international exchange activities with international partner universities/colleges such as University Teknologi Malaysia and utilize their practice and recommendations in the teaching and learning areas.
- Taking part in general monitoring and evaluation activities at university level, national level, and other relevant studies

I strongly declare my commitment that I will:

- Support the Mission, Vision, Values and Goals of the MoHE,HEDP in institutionalizing OBE-SCL approach at the university level
- Will offer my expertise to help ensure the promotion and success of the OBE-SCL

practice and implementation

- Will work with the rest of the team to communicate the OBE-SCL approach to our most important audience and beneficiary (faculty members)
- Organize OBE-SCL training programs at my university level and train other faculties on applying, practicing and implementing OBE-SCL in their teaching and learning
- Increase the number of faculty members trained in and practicing and implementing OBE-SCL through continuous series of OBE-SCL Training programs
- Will attend in person in the OBE-SCL conferences, seminars and workshops held by MoHE, HEDP and serve, whether I attend or not, will continually communicate with the team and the main coordinator to ensure I understand all current affairs
- Will actively participate in all requests for my assistance and response to OBE-SCL activities and events.

We realize that after few years, our public universities will need to prove that they have made considerable progress in terms of supporting the OBE-SCL practice and implementation for betterment of education quality and standard at the higher education institutions. The universities will need to take part in general supporting, nurturing and monitoring activities related to the practice and implementation of the OBE-SCL approach standards.

After signing this Letter of Commitment by the candidates, the candidates will abide by the previously mentioned criteria and rules and deliver their dedicated efforts towards overall OBE-SCL practice and implementation through performing various activities which enhance this component.

I have read and fully agree to this Letter of Commitment and look forward to assisting the OBE-SCL practice and implementation at my own and other public universities in this role as a Champions/Master Trainer.
